Timber flooring quote and sample checklist

Use this checklist to ask our Melbourne team about boards, samples and a delivered price.

Product and quantity

Choose a range and laying pattern. Include the finish or board code if known.

Construction and pattern

Finish, size or product code

Floor area (m²)

Cutting allowance confirmed by installer

Check the area per carton on the selected product page. Add the agreed cutting allowance to the floor area, then round up to whole cartons.

Delivery and samples

Bestwork is based in Melbourne's east. We arrange flooring delivery Australia-wide. Tell us your delivery postcode so we can check freight costs and timing for your order.

Delivery suburb, state and postcode

Preferred delivery window

Sample codes, receiving hours and unloading access

Send the board details, approximate area and postcode, or call us to talk through your options.
